I can't believe I am writing the last Sports Mail for this academic school year. It has been a year full of sporting achievements with a huge number of children representing Morgans in one sport or another. There has been more successes this month too and the reports will follow. However, the highlight of this month has to be the whole school Sports Day on Tuesday 10th July, which saw all children from Nursery through to Year 6 competing in different events. The results were very close between the 4 houses and they were:

1st **Lea**: 6384 points

2nd **Rib**: 6199 points

3rd **Mimram**: 6124 points

4th **Beane**: 5867 points

Well done to all children, it was a very fun day!

Mr Palmer and I would like to wish you all a lovely summer break and we will see you in September for another action packed school year! Good luck to our Year 6's who move on to their new schools. Come back and see us soon!

Year 5/6 B Team Boys Football Tournament at Wodson Park : Thursday 5th July

Last Thursday, a group of boys from year 5 and 6 represented Morgans in the B team football tournament. First of all, the officials put in a rule that no player, from either team, could go in the box. We went on to receive a penalty as one of the opposition went into their box when they were defending. Josh, yr 5, took the penalty and the keeper saved it. The game ended 0-0. Thankfully, after that game they took out the "you cannot go in the box" rule. So after that match, we went on to win the rest of them. Josh scored 11 goals and was our top scorer. Almost everyone managed to get a goal, even Zac who plays defence. Even though Kaya didn't get a goal, he assisted Roux with an acrobatic bicycle kick (assist of the tournament). We went on to win the tournament and we were all nice and sweaty at the end. At the end of day, we enjoyed it and obviously won!!!

Year 5/6 B Team Table Tennis Tournament at Chauncy School: Thursday 5th July 2018

On Thursday the 5th of July, 4 girls and 4 boys went to Chauncy School to compete in a table tennis competition. Everyone played 3 matches each. Everyone was ordered with a different number to play against other people with the same number.

BOYS TEAM:

Max Hadook-1

Ellis Bates-2

Lucas spong-3

Matthew Carter-4

There were three other schools there: St. Catherines, Watton at Stone and Abel Smith. Overall, the girls came joint first with Abel Smith and the boys came second however, we thought we lost fewer matches. At the end of the day, we all enjoyed missing some time of school and we had fun play and meeting people.

GIRLS TEAM: Mimi Brady-1
Emilia Davies-2
Gaby Austin-3
Abigail Hunt-4

On Thursday the 5th of July, 4 girls and 4 boys went to Chauncy School to compete in a table tennis competition. Everyone played 3 games against Abel Smith, St.Catherines and Watton at Stone. Everyone won a least one game. However, some people from Morgans won all 3!! Once everyone had played all 3 games, the scores were counted up. Morgans girls did really well and came joint first with Able Smith. The boys also did really well as they came second. Here were the teams:

Year 4 Rapid Fire Cricket at Chauncy School: Thursday 5th July 2018

B Team:

We went to a tournament at Chauncy and the B Team came 3rd and the C Team came 1st. It was very fun but very hot! We were against St Catherines, Millmead, Abel Smith and Wheatcroft. You had to hit the ball through the gates to get 4 points. Lots of people say it's all about the winning but it's not it's about **TAKING PART**. Other schools thought that smashing the ball far away means that you get more points but actually you get more points by hitting the ball through the gates.

C Team:

At Chauncy School we did a Rapid Fire Cricket tournament. We played a variety of schools including Abel Smith, St Catherine's , Wheatcroft and Millmead. In the end we came joint first with Millmead and we all played really well.
